- A heritage guide of the town Cemetery.

Anti-social behaviour had been a problem in the town and the mayor had worked in partnership with the police and other agencies to address problems.

ATM.4 Questions from the Public

- 4.1** How will Council meetings be managed with the ending of the current legislation allowing local council meetings to meet on-line? How are decisions validated and when can they be ratified? What are the prospects for the future?

The Chairman advised that at its meeting on 28th April, Sleaford Town Council had considered a report from the Town Clerk and advice from LALC on this issue. The Council felt that it would not be possible within the government's guidance on meeting indoors and had resolved to carry on meeting remotely beyond the 7th May deadline when the legislation ceases. The next three Council meetings would be held remotely and decisions would be ratified at the full Council meeting in July.

- 4.2** When will the letting of rooms open up to community groups in the Town Hall?
The mayor replied that this would be the case. The Town Clerk advised that the Town Hall rooms will be opened for hire from 21st June when government guidelines on meeting indoors are lifted.

- 4.3** Could Sleaford provide parking for motorhomes to encourage tourism to the town?
The mayor replied that this request could be considered as part of the Council's project to renovate Eastgate car park. It was suggested that NKDC could respond to this suggestion.

There were no more questions and the meeting closed at 7.47 pm.
